LETS CONNECT

DISABILITY & INCLUSION RESOURCE FAIR

This resource fair, in collaboration with Crossroads Church and Pathways Center, provides connection and access for the 5,523 individuals living with disabilities in Coweta County to maintain a healthy spirit, mind, and body. Exhibitors will include companies and organizations in the health, wellness, adaptive and therapeutic industries as well as support organizations for these individuals and their families. We will have a specific focus on the transition out of pediatric services and into adulthood. The fair will also feature our Y adaptive programming and highlight our commitment to accessibility for everyone. There will be presentations, a Pathways to Coverage Medicaid pop-up office, and opportunities to speak with attorneys and advocates.
