

REGISTRATION INFORMATION LAKE ALLATOONA // LAKE BURTON YMCA OVERNIGHT CAMP • SUMMER 2022

HOW TO REGISTER

In 2021, YMCA Camp High Harbour registration will take place through Camp In Touch registration system.

Step 1: Set up your family account online.

We recommend doing this NOW or sometime before camp registration opens to streamline the steps required on registration day.

Families with an existing Camp In Touch account (You might remember it as CampMinder):

Please log into your Camp In Touch account here:

Lake Allatoona click here: <https://lakeallatoona.campintouch.com/v2/login.aspx>

Lake Burton click here: <https://lakeburton.campintouch.com/v2/login.aspx>

If you forgot your password, there is a reset password link to help you reset it.

Once logged in: update address, email address, phone numbers and camper information. Make sure your credit card info is up to date as this will be the only way to register your camper.

Families new to Camp In Touch:

Please set up your family account before opening day of registration.

Lake Allatoona click here: <https://lakeallatoona.campintouch.com/v2/family/inquiryForm.aspx>

Lake Burton click here: <https://lakeburton.campintouch.com/v2/family/inquiryForm.aspx>

New Account Password Setup:

Once your family information is entered and you hit submit, a box will come up to set your password. Enter your email address and click the Retrieve/Set Password link. You will get an email and set two security questions and your password. At that point you will be able to log into Camp in Touch to get comfortable.

If you plan to register at both locations, you will need to create an account on each link. You are able to use the same email and password, but need to set it up for each location.
